To: Board of Library Trustees
From: Tess Mayer, Director of Library Services
Subject: Authorization to Open the Central Library and all Branches One Hour Late to Allow Adequate Time for All-Staff Meetings

RECOMMENDATION

Adopt a resolution to open the Central Library and all Branch Libraries one hour later on January 29, April 30, July 30, and October 29, 2021 to allow adequate time for the all-staff meeting.

FISCAL IMPACTS OF RECOMMENDATION
This report will have no fiscal impacts.

BACKGROUND

All-Staff meetings are held in the Central Library from 9 AM to 10:30 AM up to four times annually. To enable travel time back to branches, the Library has delayed opening until 11:00 AM as an accommodation.

All scheduled Library staff are expected to attend these meetings. Full-time employees who wish to attend but who are not scheduled to work during that time may adjust their schedules to accommodate the meetings. Employees who work less than full-time and who are not scheduled to work may add the appropriate amount of time to their timesheets that week if their schedules cannot be adjusted. Intermittent staff are not paid to attend these all-staff meetings.

Items generally included on the all-staff meeting agenda include:

- Introductions of new staff
- Important news announcements (e.g. direction on political activity, changes to staff intranet, summer reading program details, upcoming projects, budget updates, recognition of staff achievements, etc.)
- Presentations by staff or guest on topics relevant to all (e.g. demonstrations of new equipment, team and/or committee reports, new policy overviews, strategic planning and organizational priorities updates)

All-staff meetings allow the Director and managers the opportunity to distribute staff awards, announce updates, and communicate pertinent information directly to all personnel. There is intrinsic value to Library staff having the ability to hear important information directly from managers. By delaying the Library’s opening by one hour on these four mornings, continued staff participation in the meetings is anticipated, and in-depth topics will continue to be covered with adequate time for discussion.

CURRENT SITUATION AND ITS EFFECTS
At the December 10, 2008 BOLT meeting, at the request of the Director of Library Services, the Board authorized the Library to open an hour later on up to four Fridays throughout the course of the 2009 calendar year to allow additional time for more productive meetings and provide ample time for staff to
prepare for opening. Since this time, this schedule change has permitted effective, informative meetings, with enough time for staff to prepare Libraries to open. Management review of the extended meetings has concluded that they continue to provide advantageous circumstances for in-depth discussion of policy implementation and important planning information related to projects and initiatives. Library staff propose continuing this practice, with the goal of using this time to improve communication regarding policies and other topics of professional and operational value to employees.

FUTURE ACTION
No future action is required.

AUTHORIZATION TO OPEN THE CENTRAL LIBRARY AND ALL BRANCHES ONE HOUR LATE TO ALLOW ADEQUATE TIME FOR ALL STAFF MEETINGS IN 2021

WHEREAS, the Director of Library Services convenes quarterly meetings of all Library staff, including branch staffs, on the fifth Friday of months which have five Fridays; and

WHEREAS, the Library began this practice in 2008, with the Library opening late at 11:00 a.m. with no detrimental effect on operations; and

WHEREAS, by delaying the Library’s opening by one hour on these designated mornings, continued staff participation in the meetings is anticipated, and in-depth topics will continue to be covered with adequate time for discussion; and

From: Tess Mayer, Director of Library Services  
Subject: 2021 Berkeley Public Library Holiday & Early Closing Schedule

RECOMMENDATION  
Adopt the resolution approving the 2021 Berkeley Public Library Holiday & Early Closing Schedule.

FISCAL IMPACTS OF RECOMMENDATION  
This report will have no fiscal impacts.

BACKGROUND  
The Board of Library Trustees approves the Library’s holiday schedule for the coming calendar year toward the end of the preceding year. This schedule will result in the closure of all Libraries, including Branches.

CURRENT SITUATION AND ITS EFFECTS  
Union contracts specify recognized holidays for employees in the various Represented Units of the City of Berkeley. The Board sets the operating schedule for the Library. For the most part, the Library follows the City of Berkeley practice when it comes to closing services for holidays. One major exception: the Library does not participate in approved VTO (voluntary time off) days. One deviation in the holiday schedule, recognized in the SEIU Local 1021 Community Services Chapter Memorandum Agreement, is that the Library may close on Christmas Eve in lieu of Lincoln’s Birthday.

The Central Library and Branches are open on weekends and during evenings when many other City departments are closed. In the case of Thanksgiving Eve and New Year’s Eve, the Library observes a shortened schedule, closing at 6 PM. When a holiday falls on a weekend, the Library closes on both the actual holiday and the observed holiday day. In this case, eligible employees will receive a paid holiday for one of the closed days. For employees normally scheduled to work both the holiday and the observed closure, a schedule adjustment or other type of leave will be arranged in advance in coordination with their supervisor.

In previous years, the Library has observed holidays on both Christmas Eve and Christmas Day, December 24 and 25, the December 24 holiday being in lieu of Lincoln’s Birthday. On the occasion that a holiday falls on a weekend day the Library has closed on both the actual holiday and the observed holiday day, such as the upcoming Independence Day, Sunday, July 4, 2021. In 2021, Christmas Day falls on a weekend day, Saturday December 25. The Library’s observed Christmas holiday will be Friday December 24, 2021.

The draft 2021 Library Schedule of Holiday and Early Closures is attached (Attachment 2) for discussion and approval.

FUTURE ACTION  
No future action is required.

SUBJECT: FY 2020 ANNUAL GIFT REPORT

RECOMMENDATION
Adopt a resolution to approve annual reporting to the City Council of gifts received in FY 2020 as mandated by CC Resolution No. 65,444-N.S.

FISCAL IMPACT
There is no fiscal impact from this report.

BACKGROUND
The Open Government Ordinance (Ord. 7,166-N.S.) approved by the City Council in 2011 includes a section on the acceptance of gifts of $1,000 or more. At the July 13, 2011 regular meeting of the board, Resolution R11-051 was adopted, requesting City Council delegate to the Board of Library Trustees the authority to accept on behalf of the Library any gifts of funds, goods, or services up to $200,000. On September 20, 2011 the Council considered the item and approved it on consent by Resolution No. 65,444-N.S.

The approved Council resolution includes a stipulation, “Mandating annual reporting from the Board of Library Trustees of gifts in excess of $1,000 in aggregate in an informational report to be presented before the Council on a regular meeting agenda.” Information relevant to this report has been prepared by staff for board consideration and review prior to communication to the City Council. The submitted report will fulfill the ordinance’s obligation covering the period from July 1, 2019 through June 30, 2020.

CURRENT SITUATION AND ITS EFFECTS
The Board of Library Trustees accepts gifts throughout the fiscal year; for the period from July 1, 2019 through June 30, 2020 the following gifts equal to or in excess of $1,000 aggregate by donor were received and accepted into Library Fund accounts and will be reported to the City Council: the Friends of the Berkeley Public Library for $120,000, the Berkeley Public Library Foundation for $19,079, and the Howard and Deborah Goodman Charitable Trust for $1,000.

Subject: Annual Report on Gifts Received in Excess of $1,000 Aggregate Value

RECOMMENDATION
Accept the Library’s annual gift report to the Berkeley City Council as presented and recommended by the Board of Library Trustees.

FISCAL IMPACT OF RECOMMENDATION
None.

CURRENT SITUATION AND ITS EFFECTS
The Board of Library Trustees accepts gifts throughout the fiscal year; for the period July 1, 2019 through June 30, 2020 the following gifts equal to or in excess of the $1,000 aggregate were received and accepted into Library Fund accounts: the Friends of the Berkeley Public Library for $120,000, and the Berkeley Public Library Foundation for $19,079.

Donor funds are kept separate and apart from other funds and are managed as part of the regular budget management process per the Library’s Gift / Donation Policy A.R. Number 10.11.

BACKGROUND
The Council has delegated the responsibility of acceptance and appropriation of Library gift funds to the Board of Library Trustees, such that the Library will be better able to honor the intent and wishes of the grantor/donor and fulfill identified community needs in a timely manner. The Council’s delegation of authority to the Board of Library Trustees ensures that public noticing of gifts occurs on a regular basis and annual reporting ensures that the Council remains well-informed regarding gifts to the Library.

On September 20, 2011 the Council approved Resolution No. 65,444-N.S., “Mandating annual reporting from the Board of Library Trustees of gifts in excess of $1,000 in aggregate in an informational report to be presented before the Council on a regular

RATIONALE FOR RECOMMENDATION
The approval of this recommendation will satisfy the intent of the Council Resolution regarding acceptance of gift funds. In addition, the Board of Library Trustees has reviewed and recommends the report for acceptance. This action will have no negative implications and honors the original intent of the donor parties.

WHEREAS, the City Council at a regular meeting on September 20, 2011 approved on the consent calendar Resolution No. 65,444-N.S., which delegated to the Library Board of Trustees the authority to accept any gifts of funds, goods, or services made to the Library up to $200,000 that do not include unduly restrictive conditions on their use, and all gifts from the Library Foundation constituting payments toward the Foundation’s Branch Library FF&E Campaign and included a requirement that the Board of Library Trustees report to Council annually gifts in excess of $1,000 in aggregate; and

NOW THEREFORE, BE IT RESOLVED that the Council of the City of Berkeley hereby accepts the annual report of gifts in excess of $1,000 in aggregate from the Board of Library Trustees.

BE IT FURTHER RESOLVED that the following gifts to the Library are hereby approved:

1. The Friends of the Berkeley Public Library for $120,000; and
2. The Berkeley Public Library Foundation for $19,079.
To: Board of Library Trustees (BOLT)
From: Alicia Abramson, Manager, Library Information Technology
Subject: RFP: Lease of Public Photocopier and Printing System

RECOMMENDATION
Adopt the resolution to authorize the Library to issue a Request for Proposals for a new Public Photocopier and Print System.

FISCAL IMPACT
Estimated costs related to the purchase and installation of a new Public Photocopier and Print System are $105,000 over a three year contract period. This includes the lease of equipment, equipment installation services, photocopier and printer supplies, and annual system support and maintenance fees. This project is funded in the FY 2021 budget and to be charged to (101-22-242-271-0000-000-463-625120 Rental of Equipment).

BACKGROUND
The Berkeley Public Library currently provides 132 public access computers, including laptops and desktop PCs, for use by Library patrons. These computers are configured with multiple software packages including the Microsoft Office suite of programs including Microsoft Word and Excel, web browsers such as Chrome and Firefox, image editing software, DVD playback software, and several other applications. Printing from Public computers as well as making photocopies and scanning documents is an important part of the public services that the Library provides.

The Library wishes to solicit a vendor to enter into an equipment-lease agreement for a “print and photocopy solution” that will provide multifunctional equipment for the public to make photocopies, print from public computers, and scan documents. The proposal shall include hardware maintenance for the equipment, toner and paper supplies, for public use.

The Library intends for the new agreement to replace the Library’s previous copy/print services and vending/fee recovery contract which expired on September 18, 2020. The Library opted not to renew the previous contract as the equipment was not current generation and included a fee recovery/vending system which the Library no longer requires since the acquisition in October 2019 of an integrated Public PC and Print Vending solution from Comprise Systems. The Comprise system, which the Library owns, offers coin, bill, credit-card, and electronic payment options, is easy for patrons to use, and interfaces with most major Photocopy/Print systems.

CURRENT SITUATION AND ITS EFFECTS
The RFP process is an open process to solicit proposed solutions from the marketplace. Responses are evaluated to determine whether a vendor is able to provide the Library with the required services at the best price. Conducting an RFP for a Public Photocopy and Printer System gives the Library an opportunity to survey the current market for current generation systems, obtain competitive quotes from qualified bidders and to select a customized solution that best meets the requirements for the management of the Library’s public access computers.
The Library anticipates releasing an RFP for a Public Photocopy and Printer System in November 2020 following Board approval in October 2020, and awarding a contract in winter 2021.

ALTERNATIVE ACTIONS
None.

FUTURE ACTION
Contracts exceeding the Director’s authorized threshold will be returned to the Board for final approval.

FY 2020 is the first year of the two-year biennial budget cycle encompassing fiscal years 2020 and 2021. The two year biennial budget was adopted by the Board of Library Trustees on May 24, 2019 by Resolution No.: R19-024. On September 29, 2019, $715,529 of fiscal year 2019 encumbered values were carried-over into the FY 2020 budget via the City’s first amendment to the FY 2020 Annual Appropriations Ordinance.

There are several revenue sources available to the Library to support operations. By far, the largest revenue source is the library tax, a (parcel based) property tax special assessment based on building square footage and use code. Much less sizable in terms of dollar value, but nonetheless of importance to the Library are allocations distributed by the California State Library typically through programs such as the California Library Literacy Services (CLLS) program. The Library also receives donations and gifts from the Friends of the Berkeley Public Library, the Berkeley Public Library Foundation, and private organizations and individuals.

Excluding Funds targeted primarily to special programs and projects, i.e., Friends & Gifts (104) and Foundation (105), FY 2020 revenues at $20,579,367 ended 4.0% higher over the prior fiscal year period with an increase of $793,215; expenditures at $18,764,799 moved slightly higher by 1.5% or $279,515. Among these operational Funds, FY 2020 revenues exceeded expenditures by $1,814,568. The fiscal year-end surplus was higher by 39.5% than that of last fiscal year, gaining $513,700 over the prior fiscal year result. The fiscal year’s favorable revenue increase among these Fund groups was overwhelmingly due to $760,509 in higher year-over library tax receipts. Additionally, grant revenue rose significantly at 59.5%, or $34,400, as the California State Library released an unsolicited grant award of $34,400 to promote family literacy programming, this was apart from the to-date recurring California Library Literacy Services (BerkeleyREADS adult literacy program). Staffing expenditures were down from the prior year by $498,301, a decline of 3.6%, as savings were seen in career and hourly staff salary and wages as well as medical expense. Non-staffing expenses up $777,817, saw large year-over increases for building facilities related to construction for the Central Library interior renovations project and for professional consulting services.

As a share of total revenue, library tax receipts represented 98.8% of revenue. Spending from the Library Tax Fund was 99.2% of all fiscal year expenditures.

1. Library Tax Fund

The Library Tax Fund (101) ended fiscal year 2020 with a surplus of $1,761,157 as revenues exceeded expenditures yielding an estimated fund balance of $9,686,705 at the beginning of fiscal year 2021 net of reserves of $1.5M.

The Library Tax Fund is made up of revenue from the dedicated library tax, fines and fees, and miscellaneous revenue. The largest component of revenues in the Fund is the library tax itself which is received periodically during the fiscal year – generally September, February, April and June – from the County Assessor’s Office and may be indexed to the higher of the increase in the California Personal Income Growth (PIG) or the San Francisco Bay Area Consumer Price Index (CPI) rates. In FY 2020, the library tax rate was pegged to the CPI index increase of 4.015%, generating receipts of $20,431,021 for an incremental gain of $760,905 over that of the FY 2019 PIG rate of 3.67%; and, just missing the budget target by $21,793. Proceeds from fines and fees and other miscellaneous revenue at $56,094 represented just 0.3% of Fund receipts.

Fiscal year expenditures at $18,725,958 rose 1.8%, up $324,248 above last fiscal year; however, when measured against the Adjusted Budget, FY 2020 ended with a favorable variance of $7,811,453. As in preceding fiscal years the favorable variance is in large part due to unexpected delays to initiating construction of the Central Library Improvement Project; and although project
construction began in early 2020, the Shelter-in-Place order declared in March temporarily suspended and subsequently slowed on-site activities. Consequently, with much of the fiscal year’s Fixed Asset - Building budget having been targeted for this project actual project spending of $625,297, significantly below budgeted appropriations, accounted for the bulk of the $3.9M favorable variance for capitalized fixed assets. Secondarily, with savings of $2.5M relative to the Adjusted Budget, personnel costs continued to contribute significant savings due to staffing vacancies and, a factor which was further reinforced by a city-wide hiring freeze instituted on April 27 in response to the impacts of the pandemic on the City’s fiscal resources; and of which the Library has attempted to address by a $500,000 incremental increase to $800,000 of Salary Savings in the Revision to the FY 2021 Budget adopted by BOLT Resolution R20-030 dated June 3, 2020.

The pandemic’s impacts touched other areas throughout the Library, halting and later transforming the breadth and delivery of public services with the closure of Library facilities, curtailing or slowing of city and vendor services, and further postponed the Library’s efforts to engage or enlist an on-site social health worker. Effects encompassed the acquisition of library materials; professional and engineering services extending to infrastructure and equipment maintenance and upgrades such as the timing of public-use furniture upholstery replacement and the reinstallation of exterior stucco at the Central Library; software maintenance services in part related to a delay in the acquisition and installation of new security gates for Central; a reduction of office and field supply purchases; and lower electricity charges.

2. Grants Fund

The Grants Fund (103) is typically composed of funding from California State Library administered programs for the California Library Literacy Services program, the Library Services and Technology Act, as well as any other governmental or private grant awarded to the Library.

Grants Fund revenues at $92,252 consisted of $57,852 from the California Library Literacy Services (CLLS) program that funds the BerkeleyREADS adult literacy program, and a second CA State Library unsolicited grant award of $34,400 to promote family literacy programming. Fund expenditures at $38,841 represented only 42.1% of revenues due to disruptions to literacy programs caused by the Covid-19 pandemic. The bulk of literacy programming spending is attributable to funding the offering of one-on-one tutoring services. The California State Library has extended the spend-out date for both programs to December 31, 2020.

3. Friends and Gifts Fund

The Friends and Gifts Fund (104), similarly impacted by service disruptions linked to Covid-19, recorded expenditures of $64,117, falling year-over by 39.6% or $42,088. The bulk of spending supported public programs across all Library locations and was largely provided from the Friends of the Library. Fund receipts included the fiscal year’s award from the Friends of $120,000, interest revenue of $5,181, a recorded gain of $3,636 on the sale of disposal of a retired vehicle, and $2,342 in other donations.

As indicated in the Library’s Gift / Donation Policy (A.R. Number 10.11) donor funds are kept separate and apart from other funds and are managed as part of the regular budget management process.

4. Foundation Fund

The Foundation Fund (105), funded by the Berkeley Public Library Foundation, recorded receipts totaling $19,079. Awards from the Foundation are typically defined, and during FY 2020 targeted support for the Berkeley Builds Readers program at $7,000, and $12,079 for startup of the Charlie Cart cooking project. Expenditures at $64,041 funded acquisition of the laptop kiosk at the Central Library, purchase of the Charlie Cart and Findaway Launchpads, and supplies for Shelter-in-Place reopening of limited services.

CURRENT SITUATION AND ITS EFFECTS

Throughout the year, the Board of Library Trustees takes actions that amend the fiscal year’s revised budget through the Annual Appropriations Ordinance. These may include, but are not limited to, the acceptance of new grants, revisions to existing grants, and adjustments to the adopted expenditure authority due to unanticipated needs and circumstances. The revised budget is also amended annually to reflect re-appropriation of prior-year funds for contractual commitments (i.e. encumbrances) as well as carryover of unexpended funds previously authorized for one-time, non-recurring purposes.

The amended FY 2021 Budget, as presented for adoption herein (see table in Fiscal Impacts section), will be sent to the City’s budget office for inclusion to the City’s consolidated amendment of the Annual Appropriations Ordinance.

1. Library Tax Fund

The Library Tax Fund budget is requested to be increased by the carryover amount of $2,643,014 (pertaining principally to building infrastructure and maintenance) yielding a revised budgeted amount of $24,210,273. Incorporating this action results in a projected ending uncommitted Fund Balance of $6,732,062, net of reserves of $1.5M.

Library Website
To be as responsive to community interests as possible, the Library has invested much time since March reworking its website. The Library is working iteratively to update the site and a staff team has reconvened to develop ways to accentuate Library services that are currently available to patrons.

Initially, when facilities were closed due to the shelter-in-place order, the Library focused upon providing informational updates about the pandemic and library services, while also accentuating available electronic resources. Both the front page and deeper links were reworked significantly. Staff also removed such content as event listings, irrelevant contact information, Link+ details and other content that could have misled people into believing that these services were available.

Over time, as the Library opened for outdoor pickup and offer more online programming, the Library updated the information available, but did not make any additional structural changes.

In September, staff identified a need to make more significant changes to the website to accentuate the following:

- How to get a library card
- Access to information about online library programs
- Tool Lending Library information
- Teen and children’s services information
- Link+ content
- Voting information

A staff team was convened and each of these areas is now easier to find on the website.

Adult Services staff created a voting information page which aggregates information from a number of sources, particularly the County Registrar and City Clerk, and offers online access to the Easy Voter Guides that are a collaboration between the California State Library and the League of Women Voters.

The Library has also invested effort into identifying ways to magnify access to collections and has begun integrating “book rivers” into various pages on the website. The front page now includes a book river that accentuates the purchase of many new biographies as part of a significant update to that collection:
All Library staff have been encouraged to provide feedback about the website changes, and the team is starting to integrate suggestions. Next steps are identifying how to make it easier to access the Library’s Books by Mail services, and performing significant updates to the Kids and Teen areas of the website. Staff will be holding focus groups with librarians to gather input and develop a plan for these in the next month.

Safe Reopening
Protecting community and staff safety guides the Library’s practices related to access to facilities. All businesses are encouraged to provide as much of their services outside as possible, and the Library’s Outdoor Pickup services are designed with this intent.

From July through the month of September (Q1 of FY 2021), over 216,000 physical items were checked out by Berkeley Public Library patrons via the outdoor pickup process. This is a huge accomplishment for a three month period as it represents (extrapolated) an annual per capita use of about 8 physical items checked out via the service per community member. It is clear that the community appreciates the efforts of staff to make this service operate safely and efficiently. See below for information on use of the Library’s e-collections during the same time period.

The Library’s Safe Reopening Team continues to perform work to help the Library prepare for cooler and wetter months, while also identifying ways to enhance community access to collections and services. Currently there are three sub-teams working on the following:

- Identifying what equipment and practices are necessary to sustain outdoor pickup services into the winter, particularly with the continued construction work at the Central Library
- Identifying ways in which the Library can expand access to the internet; one idea is to provide wifi/laptop checkout via outdoor services. Maximizing staff safety is a primary consideration in this work
- Identifying ways to enable patrons who miss browsing to engage in browsing experiences at the facilities and online

Alameda County dropped in late September from “Widespread” to “Substantial” risk level, per the State of California’s Blueprint for a Safer Economy. As a result, a new health order was issued by the City of Berkeley Public Health officer that permits but does not require libraries in the City to open at up to 25% capacity. The Library, in conjunction with labor groups, will assess this Health Order and the possible consequences and strategies.

No changes related to patron access to facilities are in the current plans. Many factors will be integrated into identifying when the library may be able to reopen its doors for community access and to what extent, including such factors as staff availability, completion of Central Library construction, risk levels, and availability of safety-related equipment, among much else.

Library Collections:
The Library continues to enhance community access to e-materials. RBDigital, the Library’s online magazine service has greatly increased the range of titles available to Berkeley Public Library patrons. Over 3,700 magazines can be read digitally on the platform. The collection is extremely deep, ranging from art magazines to children’s magazines to travel magazines to literary reviews and more.

In September, Simply-E, the Library’s e-book app that aggregates e-book content from various e-book services, developed and now offers access to all of the Library’s Overdrive audiobooks, thus making that app much more useful for patrons.

Lastly, use of the Library’s e-collections has grown significantly in quarter one. Over 360,000 items from the Overdrive, Enki, and Hoopla collections circulated from July through September (i.e. not including Kanopy or a number of other e-collections that are aggregated for annual statistics). This would represent an estimated 1.4 million circulations if extrapolated out for the entire year. One factor for this growth is increased use of the Library’s e-collections by BUSD students, particularly high schoolers, whose librarians and teachers have been reached out to by BPL librarians to accentuate how to access this content. In September, BUSD
students checked out more than 2.5K items via the Sora/Overdrive system that enables BUSD students with easy access to the library’s audiobooks and e-books. This represents a doubling of use by BUSD students. The Library is also offering drop-in one-on-one Zoom meetings with patrons to support their accessing the Library’s e-collections and using their devices for reading or listening to the Library’s materials.

The Library is in the process of updating its biography book collections. The primary goal is to improve the user experience of the Library’s collections by making it easier for patrons to find materials of interest. Another goal is to ensure improved subject matter diversity. The elements of this project include the following:

- Identification of stand-alone shelving areas for biographical materials in all branches and the Central Library (juvenile and adult).
- Changing of call numbers at bibliographic and item levels in library catalog
- Relabeling of materials
- Per the Library’s collection management plan, librarians are assessing the current collections, identifying subject gaps, superseded content, materials in poor condition, and the like.
- Librarians are selecting and purchasing thousands of new biographies (juvenile and adult) as well as replacements for many of the high-use items that are found in poor condition as librarians assess collections.

At the Central Library, once the project is complete, adult Biographies will be shelved in a discrete area on the second floor, which will free up room on the first floor for other nonfiction materials.

Lastly, the Library is in the procurement phase of its culinary tools collection for the Tool Lending Library, with a wide range of vendors identified for the many tools, including coffee roasters, cake pans, dehydrators, and much more!

Public Programming
The Library continues to provide access to dynamic online programming, including the popular weekly storytime developed by BPL’s Librarians. Almost 1,000 people watched these storytimes during the month of September. Each week’s program is developed by a team of two librarians who record them. Librarians trade off doing this work. The goal is to provide early literacy experiences, including songs, new concepts, guided movement, books, and other ways to engage children’s imagination, such as via felt board storytelling.

To celebrate Hispanic Heritage month, the Library offered cultural programming in the form of a virtual program called Baila Baila. Approximately 30 attendees heard and watched musicians playing a wide range of Latin American music for children

Also in September, a number of new programs were initiated by the Central Library Adult Services team, including a STEM program in which a UC astronomer provided an overview of the search for extraterrestrials (SETI) program, attended by 75 people, a resume workshop attended by 23 patrons, and one-on-one technology support attended by ten people. Many more programs for adults will be initiated in October, including culinary programming and film discussions.

During September, the Berkeley Public Library Foundation initiated a collaboration with the Berkeley Symphony to provide Reading is Instrumental, a musical storytime featuring a special guest each week, and available from the Library’s website and social media. 2,400 people viewed these during the month of September. The Library’s social media and website teams devoted much effort into publicizing this offering.

Lastly, Berkeley Reads and Central Adult Services staff have revived the very popular English as a Second Language Conversation club via Zoom, with a high degree of success: 57 people attended the first session in September.
