

**Berkeley Public Library presents...**

# Amphiba Phest

Did you know that amphibians live in Berkeley?

**Yes!** Frogs, toads, newts, and salamanders make their home here in the East Bay.

Find out about the amphibians next door and learn how to be a good neighbor to our moisture-loving friends.

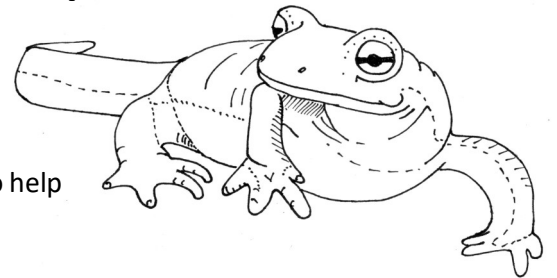

---

**Free Zoom Event —Registration required**

## Meet an Amphibian with the Lindsay Wildlife Experience

**Saturday, November 6, 3:30pm- 4:15pm**

**Join us** for a free, interactive, Zoom with a naturalist from the Lindsay Wildlife Experience. We will hear fun amphibian facts, learn how to help our amphibian neighbors, and meet Sal, a California tiger salamander. Recommended for age 3 and up.

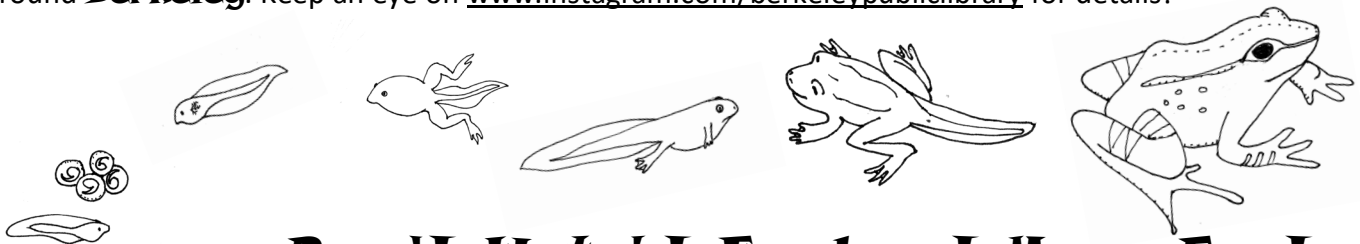

**Register to save your place and obtain the Zoom link. Visit our website event page:**

---

In November, the Library will have a **scavenger hunt** that highlights amphibian-related spots around **Berkeley**. Keep an eye on [www.instagram.com/berkeleypubliclibrary](https://www.instagram.com/berkeleypubliclibrary) for details!

**Read! Watch! Explore! Have Fun!**

Go to our Book Adventures event page listed above and find books, movies and more. Also find a curated playlist of videos about amphibians, activity pages to print, and links to related organizations and vetted online resources. Check the library website for more events and activities to be updated regularly.
