

Frog Crown

1. Color and snip out your frog crown face.
2. Cut along the dotted lines below to make your crown straps.
3. Attach the crown straps to the back corners of the frog face like this (tape works well).

Note: This is a crown (not a mask) and should be worn proudly on top of your head. Enjoy!

Cool melons—

Turn to frogs!

If people should come near.

Frog:

A tailless animal that is an amphibian with smooth moist skin and webbed feet that spends more time in the water than the related toad. (Merriam Webster's Elementary Dictionary)
